"Music Gateway's been on my radar since first meeting Jon during its infancy and I am really impressed with what they have achieved in such a short period of time. It's a pleasure to be on board helping them progress to the next stage of their development and exciting to be a part of something which has huge potential in aiding the music industry across the board."

Whilst the company has established itself as a niche music industry platform, the vision is to cater for services across the whole creative spectrum including Gaming, TV, Film, Education and all forms of Media enterprise.

"We are taking the company to the next level and it's a pleasure to have the likes of Dave, Daniel, Andy and the rest of the board in place to help steer our development and growth across the creative sphere."

Jon Skinner *CEO / Founder Music Gateway*

The plethora of announcements over the last few months including Red Bull Media House and UPPM (Universal) joining their accounts, the launch of the sync and song pitching tool, their A&R department placing over \$150,000 worth of songs in the Asian market, partnerships with prestigious music business events like Midem and Reeperbahn and newly launched UI / Design across the softwares set Music Gateway up to be one of the fastest developing B2B companies in the industry.

Hold tight for further announcements and developments in what's set to be a huge year for the 3 year old company.

About Music Gateway:

Music Gateway is a B2B platform, specifically designed to allow creative and music industry professionals to connect and work together in a global capacity. Developed by industry professionals for industry professionals, the unique software helps streamline the way people connect via projects whether this is through hiring music a professional, collaborating or using it as an A&R to find new talent. Music Gateway removes time-consuming legwork and offers security along with unique, remote working tools. With over 40 project types, thousands and thousands of members and an increasing number of opportunities each month, we've established ourselves as the go to platform for music and creative business.
