

Music Gateway and BASCA Unite

Following a 62% growth since launch in August, Music Gateway is bridging the gap between musicians and industry professionals at an impressive rate, whilst also offering a range of benefits to its members through various partnerships. The most recent addition to the family is 'BASCA - The voice for music writers in the UK'.

As part of the company's continued efforts to integrate with world renowned Music Industry organisations, users can now verify their BASCA membership through their Music Gateway account to receive special benefits and added value discounts. Verified BASCA members will receive.

- Increased ranking and site positioning throughout the site
- A raised profile status, displaying their BASCA membership
- 5% discount off the pro level subscription fees

"Our recent integration with BASCA is the beginning of us forging solid partnerships with an emphasis on long term development. Our continued aim is to deliver added value benefits to our members. We are very excited to have BASCA on board, being such a respected organisation and matching our passion to help songwriters to succeed in such a competitive industry." **Jon Skinner** – Founder & CEO of Music Gateway

Vick Bain the Executive Director for BASCA adds:

"BASCA leads the way in providing professional opportunities and benefits to its songwriter and composer members. We look forward to developing our partnership with Music Gateway on behalf of the BASCA community." **Vick Bain** - Executive Director of BASCA

This is an exciting development in the growth of such a young company and a major stamp of approval from a leading organisation. It is apparent that there is a broad range of professionals finding talent through the site from grass root beginnings through to industry giants.
